My Elevator Pitch is as below:

Hi, I am Pratik Patel. I am Fintech professional with 6 years of extensive experience as Business Analyst. I am pursuing Blockchain development program at George Brown college. I have a blockchain based for land registry and transfer which would help your government to digitalize land registry, created trustworthy and transparent records for all citizens at the touch of their fingertips. I am available this week to give demo of our application and see if it's right fit for you.
